

Simon Gagné

Partner

Mr. Gagné is a partner who divides his practice between health and labour law. His experience in the field of labour law is extensive and diversified. In particular, he handles cases involving grievance arbitration, labour standards, the interpretation of collective agreements, human rights and freedoms, as well as the negotiation of agreements.

In the field of health law, Mr. Gagné practises primarily in the area of administrative law as it applies to the health and social services sector. He has developed significant expertise in the handling of complaints and disciplinary law, the management of physician privileges, access to information and confidentiality, internal regulations, agreements between establishments, and calls for tenders.

Mr. Gagné is particularly interested in the legal aspects of the internal management of establishments and their administrators, offering a full range of services to his institutional and corporate clients.

Whether in health or labour law, Mr. Gagné has the necessary experience and expertise to offer his clients the strategic and practical advice they need.

A sought-after speaker on a variety of subjects related to health and social services, Mr. Gagné also delivers seminars and training programs pertaining to health and labour law.
