

## Marie France Doyer Rochefort

### Coordinator, Student and Intern programs

Marie France Doyer Rochefort supervises the student and intern programs at Lavery. She plans, coordinates, and follows up on the recruitment process for students and interns.

She is also responsible for all aspects of planning, organization, supervision, logistics, coordination, and participation in recruitment activities at various universities and within the firm (ex.: career days, conferences, interview simulations, cocktails, etc.). She implements student coaching strategies in order to ensure a planned and structured process for development, training, mentoring, assessment and ongoing development.

Marie France worked in a boutique firm for several years as a director of human resources and in an employment agency as head of the legal sector before joining Lavery.
