

Isabelle Pelletier, Ph.D.

Partner | Patent Agent

Isabelle Pelletier is a partner and patent agent in Lavery's intellectual property group. Isabelle is a patent agent in Canada and the United States and holds a Bachelor of Science degree and a Ph.D. in chemistry from *Université Laval* and a postdoctoral fellowship in material sciences from the University of Delaware.

Her practice covers the areas of chemistry, pharmaceuticals, life sciences, and nanotechnology. It also includes domestic and foreign patent prosecution. She also provides opinions and counselling regarding patentability as well as patent validity and infringement matters.

Isabelle is also part of the intellectual property litigation group to which she provides technical expertise.
