

James Duffy

Lawyer - Patent Agent

James Duffy is a lawyer and patent agent in Lavery's intellectual property group (previously with Goudreau Gage Dubuc* since January 2016 as a lawyer and technical adviser in patents). James holds a degree in Honours Chemistry from McGill, where he graduated with "First Class Honours" and on the Dean's list. James is also a graduate of McGill's Faculty of Law.

James' main areas of practice are chemistry, materials, energy management and conservation, mechanical, metallurgy, and aviation. He is also involved in preparing legal advice and opinions regarding patents.

** In September 2018, Lavery Lawyers and Goudreau Gage Dubuc (GGD) integrated their operations in order to offer their clients a complete range of legal services.*
