

Sophie Crevier

Associate

Sophie Crevier is member of the Litigation and Conflict Resolution group and practices primarily in the areas of civil and commercial litigation.

She joined Lavery in 2021 as a student and completed her articling at the firm in August 2023. Sophie also holds a degree in Cognitive Sciences with a minor in Computer Sciences from McGill University.

During her studies, Sophie worked as a research assistant at the Cyberjustice Laboratory at Université de Montréal. She had the chance to contribute to projects which aimed to promote the access to justice using technological tools.
