

Sophie Crevier

Law Student

Sophie Crevier joined Lavery as a student in 2021. She is currently completing her law degree at Université de Montréal and will be articling at the firm in 2023.

Sophie also holds a degree in Cognitive Sciences with a minor in Computer Sciences from McGill University.

During her studies, Sophie worked as a research assistant at the Cyberjustice Laboratory at Université de Montréal. She had the chance to contribute to projects which aimed to promote the access to justice using technological tools.
