Camille Rioux

Senior Associate

The past year has brought its share of challenges, forcing Quebec businesses to navigate the pressures of the economic climate and the job market, but it was also marked by intense activity both in the legislative arena and at the bargaining table.

When: March 27, 2026

Speakers: [Richard Gaudreault](#), [Geneviève Beaudin](#) et [Camille Rioux](#)

We will look at recent developments, legislative changes and strategic considerations related to key issues on our radar to ensure that labour relations drive value for your organization instead of being a drag on its productivity.

The training is recognized by the *Ordre des CRHA* and the *Barreau du Québec*.
